Welcome to the 26th Dragon*Con!

I had someone tell me this year that Labor Day was his favorite holiday weekend.

The people, the memories, the costumes all come together to make for the most wonderful holiday weekend of the year. Who am I to disagree?

This year we have more tracks, more fans, and more fun than ever. We have added a Puppetry track at the Marriott and Video Gaming track at the Hilton. While for many of you, Dragon*Con starts on Wednesday or Thursday when you arrive, our programming officially begins at 10:00 am on Friday Morning.

On a more serious note, current events around our country have put those charged with keeping us safe on alert. We need to support these men and women this weekend. Because they are working and watching, we can relax and enjoy ourselves.

Please wear your membership badges in plain view whenever you are in the public areas of the hotels and pay attention to our weapons policy. Our weapons policy will be strictly enforced throughout the convention.

Once again we have arranged an outstanding line up of guests and professionals. Please respect the privacy of our guests and stars. Allow them to enjoy their Dragon*Con experience too! They will be available for autographs in the Walk of Fame, or in the autograph area but not on the convention floor or in hotel restaurants.

Some of our stars ask to be photographed only in a controlled environment. Many have photo ops that you can sign up for in advance or at the show. We ask that you not take photos of the guests while they are autographing. Please ask the stars or their agents what their photo policy is and adhere to it.

This has been a year of more technological advances for Dragon*Con. I am sure that 30,000 of you have seen the scanners we are again using in pre-registration. No more alphabetical lines. Bring your post card, scan it, and go.

We also have had a new app (not just updating the old) built for the iPhone, Droid, and Blackberry. This will keep you updated with the latest information changes throughout the convention. All of the information that you are used to finding in our *Pocket Program* plus much more will be available on your smart phone. We will not be using the app for promotional announcements.

This year's charity is the ALS Foundation, GA chapter. Plan on attending the charity auction Sunday at the Hyatt to support this outstanding organization. Your purchases will make a difference to people living with ALS.

The Atlanta Braves are offering special discounted rates on tickets this Labor day weekend and will be contributing a generous portion of ticket sales to the ALS Foundation. Please see the Dragon*Con website for details.

We have again produced a pin set with the Atlanta Hard Rock Café. Featuring the art of long time attending artist Don Maitz, these pins are limited to 1500 sets and can be found for sale at a table on the first floor of the Sheraton or at the Atlanta Hard Rock Café on the corner of Peachtree St. and Andrew Young International Blvd. A special collectable framed pin set and concept art will be available in the charity auction. Our portion of the proceeds from the sale of each pin set will be donated to the ALS Foundation.

Saturday night, September 1 from 7:30 pm to 11:00 pm, will be Dragon*Con night at the Georgia Aquarium. The aquarium is set up to sell discounted tickets at the Sheraton, outside of Registration.

Because everyone cannot always get into all of the most popular events, we will live broadcast select events from the Centennial Ballroom on Dragon*Con TV. We will also be videotaping select events in the Atrium Ballroom for later broadcast on Dragon*Con television. Please see the schedule in this pocket program or the app on your smart phone.

On behalf of our 1800 volunteers, we wish you a wonderful Dragon*Con experience. Thanks for making us part of your Labor Day weekend.

Pat Henry
Chairman

Vital Information

IMPORTANT NOTES

Don't Forget Your Badge!

To ensure the safety of all of our attendees, there will be times that the hotels will require you to have your badge in order to enter the hotel. Alternatively, a valid hotel key (to the hotel you are trying to enter) may be used.

Large Room Capacity Policy

All event and program rooms have *limited capacity* as set by the Fire Marshal. Even though your badge is needed to get into all events, it does not guarantee you access to any event if the room has reached its capacity. *Additionally, all large ballrooms will be cleared in between panels.*

Line Formation Policy

Lines for ballroom events will not be allowed to form more than one hour prior to the event, or until the line for the current event has completely entered the ballroom. Each ballroom will have signage marking the location where the line may start to form. Those in line will not be allowed to enter the ballroom until the previous panel has been completely cleared.

Weapons Policy

All weapons must be non-working and peace bound. No functioning projectile weapons, including water pistols, silly-string guns, and ping-pong pistols. Bladed weapons must be cased or sheathed at all times. Please check with Security in Room M101 on the Marquis Level of the Marriott Marquis if you need clarification on this policy, or if you are unsure about the status of your props.

Gaming Guide

We have taken all of the Tournament Gaming information and moved it into its own book! Copies of the Gaming Guide are available at Gaming Registration in the Galleria Ballroom at the Hilton.

D*CTV: Live Broadcasts

Dragon*Con will again be presenting many of the more popular panels LIVE on DC*TV! And because there's just too much to do at once, we will also be presenting many panels on tape delay!

Again this year, DC*TV presents *The Dragon*Con Late Show*, broadcast LIVE every morning at 9:00 am on DC*TV—now with live studio audiences!

The channels for DC*TV are:

Hyatt Regency: 42
Marriott Marquis: 40
Hilton Atlanta: 3
Sheraton Atlanta: 74
Westin Peachtree: 48

The full DC*TV schedule listed on page 55 of the pull-out section in the middle of the book! So sit back, and watch from the comfort of your room!

All Hotel Bars Closing Early

As per Georgia regulations, all of the hotel bars will be closing on Sunday, September 2, 2012 at 12:00 midnight (Monday morning).

Pre-Recorded & Copyrighted Music Policy

It is the policy of Dragon*Con not to allow any pre-recorded music or copyrighted music to be played in the convention areas without written permission from the copyright holder, unless you are the recording artist/band or copyright holder. Violations of this policy will not be tolerated.

Daily Dragon

The *Daily Dragon* will be available each day of the convention at the Information Booths, Registration Desk, and in the Fan Track rooms. The *Daily Dragon* covers schedule changes as well as publishes articles, and party announcements, so be sure to pick one up today! Don't worry if you can't find one, there's an online version that is regularly updated throughout the convention at: dailydragon.dragoncon.org.
